		Others (please specify)	01
		Total participant	54
8.	<p>Describe briefly the outcome of the programme / event :</p> <p>The Health Care Committee and IQAC of K. M. Agrawal College, Kalyan jointly organized a lecture on Medicinal Plants on the occasion of Shraavan Rang. The lecture was delivered by Dr. Kanchan Mahajan, an expert in the field of medicinal botany and herbal sciences.</p> <p>The session began with a warm welcome of the guest speaker by Vice Principal Dr. Anagha Rane followed by a brief introduction highlighting her contributions and expertise. Dr. Mahajan, through her insightful presentation, emphasized the importance of medicinal plants in maintaining health, preventing diseases, and supporting sustainable lifestyles. She discussed the traditional uses of commonly available herbs such as tulsi, neem, aloe vera, turmeric, and ashwagandha, while also linking them with their scientifically proven medicinal values.</p> <p>The lecture highlighted how the wisdom of Ayurveda and modern research together can contribute to holistic well-being. Dr. Mahajan also stressed the need for conservation of medicinal plants and encouraged students to adopt eco-friendly practices such as growing herbal plants at home.</p> <p>The event witnessed enthusiastic participation from faculty members and students, who actively interacted with the resource person during the question-and-answer session. The program concluded with a vote of thanks by Dr. V.M. Bobade appreciating Dr. Kanchan Mahajan for her valuable guidance.</p> <p>The lecture not only enhanced awareness about the therapeutic significance of medicinal plants but also inspired participants to integrate natural remedies into their daily lives.</p> <p>Vice Principal Dr. S.W. Kulkarni, Mrs. Arpita Kulkarni, Healthcare committee member Ms. Khushboo Bhatiya, Mr. Chandan Devidasani, teaching staff and students were present for the lecture.</p>		

Outcome-

Students gained awareness of the importance of medicinal plants in traditional and modern healthcare.

Learned about the classification, identification, and uses of common medicinal plants. Ability to recognize locally available medicinal plants and their therapeutic values.

Understood methods of cultivation, preservation, and preparation of herbal remedies. Developed respect for traditional knowledge systems like Ayurveda and folk medicine.

Awareness of the need for conservation of medicinal plant biodiversity. Encouraged participants to explore herbal formulations for minor ailments.

Motivated towards research, entrepreneurship, and sustainable practices in herbal medicine.

Understanding of the scope of medicinal plants in pharmaceutical and cosmetic industries.

9. **Please give a list of students / teachers / other staff who participated in the programme**

10. **Send soft copies of the photographs of the event on:**
