8.	Number of Stakeholders participated	Teachers	15
		Students	104
		Others (please specify)	-
9.	Describe briefly the outcome of the programme / event: "Piracy" is slang for copyright infringement, the unlawful copying of the work of another, usually for the purpose of distribution and profit. The students got detailed insight of plagiarism and how such activities pose a threat to the creativity and loss of profits. And what can be measures taken to protect the original creation. If anyone is accused of piracy, then someone is claiming that you have unlawfully copied part or all of their work. Computer software, video games, music and DVDs are common objects of copyright infringement actions.
